github.com/vedantthapa 🔗

Detail-oriented and results-driven computer science graduate who excels at performing analysis and conducting detailed reports. Possess great analytical skills, excellent multitasking skills, strong attention to detail, and significant ability to work in a team. Vedant is currently looking for a full-time Data Scientist position with a forward-moving company.

EDUCATION

Master's in Computer Science
Mithibai College

06/2018 - 11/2020

Courses
- Business Intelligence and Big Data Analytics
- Simulation and Modelling

PROJECTS

Twitter Sentiment Analysis (02/2020 - 03/2020) 🔗
- Text preprocessing and analytics in Python using NLP techniques like tokenization, stemming, vectorization and training a machine learning model to classify tweets according to sentiments.

Automobile Price Prediction (01/2020 - 01/2020) 🔗
- EDA on automobile data in Jupyter Notebook using pandas, matplotlib and seaborn. Price prediction using ML techniques such as data preprocessing, feature engineering, cross-validation, etc.

RELEVANT EXPERIENCE

Data Analytics Intern
LEAD School

06/2020 - 10/2020   *Mumbai*
Make learning accessible and affordable to every child

Achievements/Tasks
- Optimized data collection and generation via automation scripts.
- Interpreted data in order to draw conclusion for managerial action and strategy.
- Used ELK stack to track and analyze data.

Data Analytics Intern
Crave Information Pvt Ltd. (At)

10/2019 - 12/2019   *Mumbai*
Provide social media marketing for businesses.

Achievements/Tasks
- Maintained data from different platforms and used various statistical techniques to collect, analyse and interpret data.
- Identified and reported any data issues.
- Worked on visualisations on data and presented key insights to stakeholders.

SKILLS

Python / MS Excel · SQL · Probability / Statistics · Data Visualization · Data Analytics · Machine Learning · Problem Solving · Predictive Modelling · Web Scraping · Linear Algebra

ACHIEVEMENTS

Secured 1st Rank in Credit Consumption Prediction Challenge at GreyAtom (01/2020 - 01/2020) 🔗

Secured 2nd Rank in Glass Quality Prediction Hackathon by MachineHack (05/2020 - 05/2020) 🔗

Secured 5th rank in JantaHack HR Analytics Hackathon by Analytics Vidhya (05/2020 - 05/2020)

CERTIFICATIONS

GreyAtom Data Science Master's Program (07/2019 - 04/2020) 🔗
Full stack data science master's program covering all fundamental statistics, machine learning concepts and its mathematical intuitions with Python

LANGUAGES

English
Full Professional Proficiency

Hindi
Native or Bilingual Proficiency
